

# DOWNTOWN EVANSTON MAP

## NorthShore University HealthSystem Grand Prix

## **NorthShore University HealthSystem Grand Prix Street Closures on Sunday, July 19**

The following roads will be closed as early as 6:00 AM on Sunday, July 19, 2009, for the bicycle races. All roads will be re-opened by 9:00 PM.

### **Clark Street from Benson Avenue to Orrington Avenue**

A police officer at Benson Avenue will allow vehicular access to the block between Benson and Sherman Avenues.

### **Church Street from Benson Avenue to Orrington Avenue**

A police officer at Benson Avenue will allow vehicular access to the block between Benson and Sherman Avenues and to The Hotel Orrington. A police officer at Church and Sherman will direct cars across Sherman Avenue in between groups of cyclists so they may get to the Hotel Orrington. Similarly, another police officer at Church and Orrington will direct cars across Orrington Avenue in between groups of cyclists so they may leave the Hotel Orrington.

### **Davis Street from Hinman Avenue to Benson Avenue**

A police officer at Hinman Avenue will allow vehicular access to the block between Hinman and Chicago Avenues. A police officer at Benson Avenue will allow very limited vehicular access to the block between Sherman and Benson Avenues.

### **Grove Street from Elmwood Avenue to Hinman Avenue**

A police officer at Hinman Avenue will allow vehicular access to the block between Hinman and Chicago Avenues.

### **Chicago Avenue between Church Street and Lake Street**

A police officer at Church Street will allow vehicular access to the block between Church and Davis Streets. (Note this will include access to Whole Foods Market's roof top parking for their customers.) A police officer at Lake Street will allow vehicular access to the block between Lake and Grove Streets.

### **Sherman Avenue between Elgin Road and Lake Street**

A police officer at Elgin Road will allow vehicular access to the block between Elgin Road and Clark Street. A police officer at Lake Street will allow vehicular access to the block between Lake and Grove Streets.

**Traffic southbound on Sherman Avenue** will be detoured east on Elgin Road and Clark Street to Hinman Avenue, where traffic may turn south to Lake Street.

**Traffic southbound on Chicago Avenue** will be detoured east on Church Street to Hinman Avenue, where traffic may turn south to Lake Street.

**Traffic northbound on Sherman and Chicago Avenues** will be detoured east on Lake Street to Hinman Avenue, where traffic may turn north to Clark Street.
